SUBJECT : Proposed Revisions of Travel Regulations Relating
to Travel of Retirees and Resignees

REFERENCE : a. Our memo dtd 10 Jan 69. Subj: Proposed Revision
of [REDACTED]..Relating to Travel and Transpor-
tation Expenses for Retirees, Resignees, or
Dependents of Deceased Employees (DDS 69-0139)

b. Memo dtd 8 Aug 69 frm SSA-DDS to DDS via DDI,
DDP and DDS&T, subj: Admin Authorities -
Task Force Proposal #4 (SSA-DDS 69-1612)

1. The travel regulations governing travel of retirees and resignees were first sent out for comment in January. They were criticized for their lack of a definition of Permanent Place of Residence, which was to be the basis for any constructive cost reimbursement to retirees who elected to retire abroad.

2. The Office of Personnel and the Office of General Counsel have collaborated on a definition of Permanent Place of Residence, and representatives of the several Deputy Directors concurred in the definition in August when they signed reference b. At the same time they agreed to the application of the definition to the travel regulations circulated in January, and accepted Proposal No. 4 of the Task Force on Administrative Authorities. Proposal No. 4 would "Pay travel and transportation expenses of personnel separating abroad, for reasons other than retirement, to their Permanent Place of Residence."

3. Agreement on the definition makes it possible for us to proceed with the [REDACTED] proposals having to do with retiree travel, and we are preparing them for authentication. We attach them for your review, and will welcome the opportunity to answer any questions you may have. Comparison with the attachments to reference a will show the following differences:

a. Subparagraph 2a(3) has been revised to reflect Task Force Proposal No. 4. This subparagraph was not part of the January proposals.

b. Subparagraph 2a(4) now cross-refers to the new definition of Permanent Place of Residence in paragraph 22-3.

25X1A c. Subparagraph 2a(6) has been removed from this set of proposals and is now in coordination with the revision of [REDACTED] on Disposition of Remains and Travel and Transportation Expenses in Death Cases.

d. The definition of Permanent Place of Residence has been added to paragraph 22-3.

25X1A e. Proposed new subparagraph 16f(5)(b)(4) has been deleted and the time limits on temporary storage of a retiree's effects are now included in subparagraph 20c.

f. Revisions of [REDACTED] originally part of this package, require further work and will be the subject of separate correspondence.

4. If no objections are voiced within the next five workdays we will send the proposals to the Deputy Director for Support and Deputy Director for Plans for signature.
